**SUPPLEMENTARY INFORMATION:** The FAA invites public comment on the request to release approximately 0.7± acres of airport property at Enterprise Municipal Airport (EDN) under the provisions of **49 U.S.C. 47107(h)(2)**. The FAA determined that the request to release property at Enterprise Municipal Airport (EDN) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Enterprise Municipal Airport (EDN) is proposing the release of airport property totaling 0.7 acres, more or less. This land is to be used by City of Enterprise for construction of a municipal

fire station. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at Enterprise Municipal Airport (EDN) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with **49 U.S.C. 47107(c)(2)(B)(i)** and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at Enterprise Municipal Airport. The proposed use of this property is compatible with airport operations.

Any person may inspect the request in person at the FAA office listed above under "FOR FURTHER INFORMATION CONTACT."

In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Enterprise Municipal Airport.

Issued in Jackson, Mississippi on August 8, 2016.
